

Charter Township of Orion

Oakland County, Michigan

Proclamation National Recovery Month

By the Supervisor of the Charter Township of Orion

Whereas substance abuse recovery is important for individual well-being and vitality, as well as for families, communities and businesses; and

Whereas an estimated 2.1 million people had an opioid use disorder, which includes 1.7 million people with a prescription pain reliever use disorder and 0.7 million people with a heroin use disorder; and

Whereas, according to SAMHSA (Substance Abuse and Mental Health Services Administrative), in 2017, an estimated 20.7 million people aged 12 or older needed substance use treatment; and

Whereas, we will continue to educate and raise awareness of the risks and potential harm associated with prescription drug misuse; and

Whereas we believe everyone facing substance use disorders deserve the benefit of recovery; and

Whereas Friday, September 20, 2019, has been designated for Oakland County's 12th Annual Substance Use Recovery Celebration and Walk; and

Whereas stigma and stereotypes associated with substance use disorders often keep people from seeking treatment that could improve their quality of life; and

Whereas substance use disorders occur when the recurrent use of alcohol and/or drugs causes clinically or functionally significant impairment, such as health problems, disability, and failure to meet major responsibilities at work, school, or home; and

Whereas substance use disorder recovery is a journey of healing and transformation, enabling people to live in a community of his/her choice while striving to achieve his/her full potential; and

Whereas substance use disorder recovery benefits individuals with substance use disorders by focusing on their abilities to live, work, learn, and fully participate and contribute to our society, and also enriches the culture of our community; and

Now therefore I, Chris Barnett, Supervisor of the Charter Township of Orion, along with Oakland County Community Mental Health and the Oakland County Health Division, do hereby proclaim September 2019 as National Recovery Month, and call upon our citizens, government agencies, public and private institutions, businesses and schools to recommit our state to increasing awareness and understanding of substance use, and the need for appropriate and accessible services to promote recovery.
