

Single-Hauler Information Sheet

POTENTIAL BENEFITS:

Pay \$2 million less than we are paying today.

- Savings per household may be as high as 45% to 67%.
- Firm 5-year pricing prevents surprises each year; known costs for known reliable value.
- Better Township enforcement authority; increased hauler accountability.
- An estimated \$2M saved by Orion Township households each year.

Improved Neighborhood Safety and Quality of Life.

- Trash truck traffic reduced in neighborhoods by 70% or more.
- Trash truck traffic limited to one day a week in your neighborhood.
- Reduced wear and tear on both neighborhood roads as well as main roads.
- One fully-loaded residential trash truck has the impact of approximately 1,279 passenger cars.
- Less truck traffic results in safer and quieter streets.
- Less truck traffic means less pollution, fewer opportunities for spills, cleaner air.
- A single licensed and contracted hauler brings safer hauler operating practices.
- Improved community appearance with carts and one day/week service.

Top-Shelf Trash and Recycling Services for Everyone.

- Good for the environment and the community.
- Saves energy, reduces waste and reduces greenhouse gas emissions.
- Saves landfill space and reduces landfill disposal costs.
- Includes best practice incentives for recycling.

ITEMS UNDER CONSIDERATION INCLUDE:

- Any current company that bids will issue a refund for any unused service to their existing customers at the time of service transition.
- Hauler to bill households directly for service; rate will not be added to resident tax bills.
- Discounts for snowbirds, seniors, and veterans.
- No resident opt-out option.
- Fines to the hauler for poor service, such as missed pick-up, etc.
- 3-4 months onboarding period, with hauler staff representative present at Township Hall to receive resident/customer calls.

Based on our research, none of the current Orion Township licensed haulers provides the comprehensive services available via single-hauler contracting, and all of them charge significantly more than the cost of the highest service levels for single-hauler contracting.
